## Parent Portal

Parent Portal is an online program that allows parents/guardians access to view your child's grades and attendance 24 hours per day. You also have the ability to set alerts if your child receives a grade lower than your expectations. This is a great tool to stay in touch with your child's grades as they are entered weekly. You may have received this information containing your password at your child's parent conference in October. For more information or to receive this information again, please contact PEIMS Secretary, Amy Burkes, at [aburkes@cisd.org](mailto:aburkes@cisd.org).
