

Navarro Elementary Tiger Times August & September 2016 Newsletter Navarro Strong!

Welcome to the 2016-2017 School Year!

This year we have a daily built-in Enrichment & Intervention Time in the Navarro Schedule for each grade level. During this 50 min. block of time, our teachers will be tutoring and providing challenge opportunities for your child. Each grade level has a different time during the day. This year we will focus on maximizing instructional time and will provide your child with a strong academic foundation. We will continue to build their leadership skills and provide your child with real-world learning opportunities to prepare them for success beyond the classroom. Navarro Elementary is the place to be!

Positive Office Referrals

This year we will focus on recognizing positive behaviors from students and reward them for their great choices. Any staff member may write a positive office referral for any student at Navarro. Then the student will be called up to the front office to see either Principal Hodge, Administrative Assistant Farmer, or Counselor Garrett. They will then call the student's guardian to share the exciting news and the student will receive a special pencil as a reward. We hope to call you soon for a positive office referral!

Car Pool Procedures – A few reminders to help our carpool lines run smoothly: Please have your car pool sign displayed in your front window of your vehicle when picking up your child in the afternoon. We kindly ask that you refrain from smoking during car pool pick up and drop off, as smoking is prohibited on school district property and as a courtesy to the staff and students. Remember to stay off cell phones during car pool times for the safety of everyone. If you need a car sign, please stop by the front office and Ms. Blades can assist you with that. Going out of town? Be sure to leave the car sign with the babysitter.
