Parent Portal

Parent Portal is an online program that allows parents/guardians access to view your child's grades and attendance 24 hours per day. You also have the ability to set alerts if your child receives a grade lower than your expectations. This is a great tool to stay in touch with your child's grades as they are entered weekly. Your unique username & password was sent home during the first semester! For more information or to receive your password again, please contact PEIMS Secretary, Amy Burkes, at aburkes@cisd.org or call the front office.
