

Corsicana ISD Website Accessibility Statement

At Corsicana ISD, we seek to understand and respect the unique needs of our students and community. We are committed to ensuring the accessibility of our web content to people with disabilities. All content on our website will conform to the Web Content Accessibility Guidelines (WCAG) 2.0, Level AA.

This information applies to all new, updated, and existing web content on www.cisd.org. Accessibility checks and training will be incorporated into the publishing workflow for all new website content. In addition, we will ensure third-party content providers are aware of our web accessibility policy and will favor providers based on their accessibility conformance claims.

Each page of the website will include a link to a form providing a method for users to submit feedback on the site; this information will be compiled and considered during the review process. Any accessibility issues should be reported to the district webmaster at webmaster@cisd.org or by using the posted form.

All areas of the Corsicana ISD website will be reviewed annually. Reviews are the responsibility of the district webmaster.
